R. W. Anglin, Esq.,
Secretary, Matriculation Board,
Parliament Buildings,
Toronto.

Dear Mr. Anglin:

I am sending you a letter which you know how to deal with. It is perhaps too early for us to say whether we shall issue farm certificates, but my own idea is that we will not.

Yours sincerely,

President.

UNIVERSITY MATRICULATION BOARD

20

Toronto, May 6th, 1919.

Dear President Falconer,-

Regarding the case of Robert C. Montgomery about which I wrote you on April 15th as suggested by you at the meeting of the Board, an enquiry has been made as to what action if any, the College of Physicians and Surgeons would take. The case is that of a returned man who has been undergoing special treatment. You will readily see that he and his friends are anxious for as clear a sheet as possible when he enters the University.

Yours very truly,

R.W. Anglin.
Secretary.

R. A. Falconer, Esq., C.M.G., LL.D., D.Litt.,
President, University of Toronto,

W. H. Smith, Esq.,

Secretary, Matriculation Board,

Toronto.

Dear Mr. Smith:

I am returning to you the correspondence in the case of Mr. Lowes. After reading it and his letters to me I cannot come to any other conclusion than that the Board was justified in taking action. Therefore we must in some way discipline his disobedience by withdrawing privileges from him at the University at least for a while.

Yours sincerely,

President.
